

# EBP06492 - IMMUNIZING PEPTIDE

**SKU:** EBP06492

---

## SPECIFICATIONS

|                              |                                                                                                                                                                                                                                             |
|------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Formulation</b>           | 100µg of Lyophilised peptide, formulation De-ionized (DI) water.                                                                                                                                                                            |
| <b>Unit Size</b>             | 100 µg                                                                                                                                                                                                                                      |
| <b>Storage Instructions</b>  | Shipped at ambient temperature, store at -20°C.                                                                                                                                                                                             |
| <b>Accession ID</b>          | NP_001269373.1; NP_001269374.1                                                                                                                                                                                                              |
| <b>Immunogen</b>             | Peptide with sequence FSWVSKDARRKKEPC, from the N Terminus of the protein sequence according to NP_001269373.1; NP_001269374.1.                                                                                                             |
| <b>Product Comments</b>      | The peptide was used in the production of EB06492 - Goat Anti-EHD1 Antibody. It is currently untested in blocking applications.                                                                                                             |
| <b>Peptide Sequence</b>      | FSWVSKDARRKKEPC                                                                                                                                                                                                                             |
| <b>Shipping Instructions</b> | Ambient                                                                                                                                                                                                                                     |
