

# EBP08425 - IMMUNIZING PEPTIDE

**SKU:** EBP08425

---

## SPECIFICATIONS

|                              |                                                                                                                                                                                                                                   |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Formulation</b>           | 100µg of Lyophilised peptide, formulation De-ionized (DI) water.                                                                                                                                                                  |
| <b>Unit Size</b>             | 100 µg                                                                                                                                                                                                                            |
| <b>Storage Instructions</b>  | Shipped at ambient temperature, store at -20°C.                                                                                                                                                                                   |
| <b>Accession ID</b>          | NP_002203.1; NP_852131.1                                                                                                                                                                                                          |
| <b>Immunogen</b>             | Peptide with sequence RASFENNCEIGC, from the internal region of the protein sequence according to NP_002203.1; NP_852131.1.                                                                                                       |
| <b>Product Comments</b>      | The peptide was used in the production of EB08425 - Goat Anti-EIF6 / ITGB4BP Antibody. It is currently untested in blocking applications.                                                                                         |
| <b>Peptide Sequence</b>      | RASFENNCEIGC                                                                                                                                                                                                                      |
| <b>Shipping Instructions</b> | Ambient                                                                                                                                                                                                                           |
