|                              |                                                                                                                                                                                                                                   |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Formulation</b>           | 100µg of Lyophilised peptide, formulation De-ionized (DI) water.                                                                                                                                                                  |
| <b>Unit Size</b>             | 100 µg                                                                                                                                                                                                                            |
| <b>Storage Instructions</b>  | Shipped at ambient temperature, store at -20°C.                                                                                                                                                                                   |
| <b>Accession ID</b>          | NP_000682.3                                                                                                                                                                                                                       |
| <b>Immunogen</b>             | Peptide with sequence C-RYPPSPAKMTQH, from the C Terminus of the protein sequence according to NP_000682.3.                                                                                                                       |
| <b>Product Comments</b>      | The peptide was used in the production of EBP10119 - Goat Anti-ALDH3A1 Antibody. It is currently untested in blocking applications.                                                                                               |
