|                              |                                                                                                                                                                                                                                   |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Formulation</b>           | 100µg of Lyophilised peptide, formulation De-ionized (DI) water.                                                                                                                                                                  |
| <b>Unit Size</b>             | 100 µg                                                                                                                                                                                                                            |
| <b>Storage Instructions</b>  | Shipped at ambient temperature, store at -20°C.                                                                                                                                                                                   |
| <b>Accession ID</b>          | NP_005256.2                                                                                                                                                                                                                       |
| <b>Immunogen</b>             | Peptide with sequence NKRTVIEQQPVLCE, from the internal region of the protein sequence according to NP_005256.2.                                                                                                                  |
| <b>Product Comments</b>      | The peptide was used in the production of EBP11993 - Goat Anti-GGT1 (aa180-193) Antibody. It is currently untested in blocking applications.                                                                                      |
