

# GOAT ANTI-HDGFRP3 (AA89-103) ANTIBODY

**SKU:** EB12826

## SPECIFICATIONS

|                              |                                                                                                                                                                                                                                   |
|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Formulation</b>           | Supplied at 0.5 mg/ml in Tris saline, 0.02% sodium azide, pH7.3 with 0.5% bovine serum albumin.                                                                                                                                   |
| <b>Unit Size</b>             | 100 µg                                                                                                                                                                                                                            |
| <b>Storage Instructions</b>  | Aliquot and store at -20°C. Minimize freezing and thawing.                                                                                                                                                                        |
| <b>Synonym / Alias Names</b> | HDGFRP3 HDGF-2 HDGF2 HRP-3 hepatoma-derived growth factor 2 hepatoma-derived growth factor-related protein 3                                                                                                                      |
| <b>Accession ID</b>          | NP_057157.1                                                                                                                                                                                                                       |
| <b>Blocking Peptide</b>      | EBP12826                                                                                                                                                                                                                          |
| <b>Immunogen</b>             | Peptide with sequence C-ENNPGVKFTGYQAIQ, from the internal region of the protein sequence according to NP_057157.1.                                                                                                               |
| <b>Peptide Sequence</b>      | C-ENNPGVKFTGYQAIQ                                                                                                                                                                                                                 |
| <b>Purification Method</b>   | Purified from goat serum by ammonium sulphate precipitation followed by antigen affinity chromatography using the immunizing peptide.                                                                                             |
| <b>Shipping Instructions</b> | Refrigerated                                                                                                                                                                                                                      |
| <b>Predicted Species</b>     | Human, Dog, Cow                                                                                                                                                                                                                   |
| <b>Reactive Species</b>      | Human                                                                                                                                                                                                                             |
| <b>Human Gene ID</b>         | 50810                                                                                                                                                                                                                             |
| <b>Product Grade</b>         | <a href="https://prod-vector-labs-pimcore-assets.s3.us-east-1.amazonaws.com/assets/products/image/elite_medium.png">https://prod-vector-labs-pimcore-assets.s3.us-east-1.amazonaws.com/assets/products/image/elite_medium.png</a> |
| <b>ELISA</b>                 |                                                                                                                                                                                                                                   |
| <b>Detection Limit</b>       | Antibody detection limit dilution 1:128000.                                                                                                                                                                                       |
| <b>Western Blot</b>          | Approx 25kDa band observed in Human Brain (Amygdala) lysates (calculated MW of 22.6kDa according to NP_057157.1). Recommended concentration: 0.3-1µg/ml.                                                                          |
| <b>Application Type</b>      | Pep-ELISA, WB                                                                                                                                                                                                                     |
