

# GOAT ANTI-SPIKE PROTEIN- S2 DOMAIN (AA810-820) ANTIBODY

**SKU:** EB13091

---

## SPECIFICATIONS

|                              |                                                                                                                                 |
|------------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>             | 100 µg                                                                                                                          |
| <b>Accession ID</b>          | NC_045512.2/MN908947                                                                                                            |
| <b>Immunogen</b>             | Peptide with sequence C-PROPRIETARY,, from the C or N<br>Terminus of the protein sequence according to<br>NC_045512.2/MN908947. |
| <b>Peptide Sequence</b>      | C-PROPRIETARY,.                                                                                                                 |
| <b>Shipping Instructions</b> | Refrigerated                                                                                                                    |
| <b>Predicted Species</b>     | Virus                                                                                                                           |
